

Declaration of Conformity / Calibration Certificate

Importer's name: Strategic Test AB

Type of equipment: Computer based electronic instrumentation

Model Prefix: M2i.6022-exp

Serial number: 11862

Date of delivery: 20 Nov 2017

Spectrum hereby certifies, that the goods listed in the above mentioned table have been inspected and tested on completion according to our internal quality management instructions. In the used test systems they have been found in full conformance to the data sheet figures valid at the time of test. Spectrum certifies that the goods have passed all subsidiary points of the internal product test protocol.

The standards used in the calibration of this instrument are traceable to national standards and measurement equipment. The used equipment is calibrated at planned intervals as specified by the manufacturer.

Used standards for calibration:

Manufacturer	Model	SN	CalibrationID	Last Calibrated	Next Calibration
Agilent Technologies	33220A	MY44004484	172896	2017-05-18	2018-05-18
BURSTER	DIGISTANT 4462	SN269540	1253 K LH 2017-04	2017-04-24	2018-04-25
Keysight Technologies	34465A	MY55500876	34465AMY5550876	2017-04-27	2018-04-27
Rohde & Schwarz	SMB100A	107724	176400	2017-11-01	2018-11-01
Spectrum GmbH	M3i.4142	6750	SPEC 2017-02 0005	2017-02-07	2018-02-07
Spectrum GmbH	USB Clock Generator	000047A3	0026 SPEC 2017-10	2017-10-27	2018-10-27
